

Indoor Airport Experience

Enjoy an indoor walk (flight) on and around our indoor airport on a fine morning at Trine Aerospace and Defense. Your adventure begins with a briefing of how to use our indoor airport learning aid. We have a small scale replica of a GA airport for you to experience ATC communication and airport signs/markings recognition. Enjoy your morning and have fun. So, you think you can fly?

Academy Blvd, use ramp to Milton East Proby Parkway, turn left to CO 21 north (Powers Blvd), turn right to Air Plaza Dr., turn left onto Newport Rd., turn left on Aviation Way, & right onto Taxi Way.
